

Dylan Mejia

15 Boxwood Lane, Hicksville, NY, 11801 | (516) 348-5974 | dylanmejia004@gmail.com

Professional Summary

I am a senior college student currently pursuing a bachelor's degree in computer programming and information systems. I am detail-oriented with hands-on experience in web and software development with well-known programming languages through personal projects and college coursework. I have a solid foundation of cybersecurity concepts and tools. I am always eager to learn and ready to apply my technical skills in a job opportunity.
